In three short years, Fr. Timothy Gallagher's blend of commonsense insight and historical wisdom has made him the most sought-after expert on Ignatian spirituality. In lectures, retreats, CD programs, and TV broadcasts, he helps people of all faiths apply Ignatian truths to their own lives. In this new guide, Fr. Tim offers 40 practical, directed meditations for learning the Ignatian way to pray.

The cornerstones of Ignatius of Loyola's spiritual practice—meditation and contemplation—are clearly explained in this simple guide to the Ignatian method with examples from the experience of practitioners and quotations from Catholic spiritual teachers. In the process, the deeper structure of the spiritual practice is illuminated, and advice about adapting it to individual needs is offered. Topics include methods of praying, struggles and growth, and the importance and role of grace. Individuals who desire to pray with scripture, spiritual directors, and all who teach prayer with scripture will benefit from the counsel in this resource.

The first book to explain the popular Christian practice of the examen prayer. Fr. Gallagher takes us deeper into the prayer Ignatius of Loyola believed was at the center of the spiritual life, showing how relevant it is today.

Following the example of St. Ignatius, we believe that praying the Examen will lead to a better life. The 500-year-old daily practice of honest self-assessment and reflection is a founding principle of Ignatian spirituality. What we don't know is if St. Ignatius ever felt like changing it up a bit. Jesuit speaker and author Mark Thibodeaux, SJ, is confident that St. Ignatius wouldn't mind a little flexibility in his prayer. Join Thibodeaux as he guides you through new and unique versions of the Examen, totally flexible and adaptable to your life. In ten minutes, you can tailor your daily prayer practice to fit your personal and situational needs, further enhancing and deepening your meditation. Reimagining the Ignatian Examen—the only book of its kind—will lead you through a fresh and stimulating reflection on your past day, your present state of being, and your spiritual desires and needs for tomorrow.

The joy and freedom to be found in the Ignatian exercises comes to life in this book by George A. Aschenbrenner, SJ. While many scholarly books and commentaries have explored the Spiritual Exercises of St. Ignatius, Aschenbrenner introduces readers to the dynamics that are at the heart of these Ignatian exercises in *Stretched for Greater Glory*. His straightforward commentary and vast knowledge make this book appropriate for both the novice spiritual seeker and the experienced spiritual director. For further information on Ignatian Spirituality, please visit our sister site: www.IgnatianSpirituality.com

For most people most of the time, prayer is hard. It is especially difficult—not to mention unsatisfying—when people experience it as formal, dry, and repetitious. But what might happen if you discovered a simple prayer that changed all that? What if you discovered a prayer that changed you? In *A Simple, Life-Changing Prayer*, Jim Manney introduces Christians to a 500-year-old form of prayer that dramatically altered his perception of prayer and the way he prayed. The prayer is the examen, which St. Ignatius Loyola developed for the purpose of nurturing a reflective habit of mind that is constantly attuned to God's presence. What makes the prayer so powerful is its capacity to dispel any notion that God is somewhere "up there," detached from our day-to-day tasks and concerns. Instead, the examen leads us into a relationship with a God who desires to be personally caught up in the lives of those whom he created. By following five simple yet powerful steps for praying the examen, we can encounter the God who, as Scripture tells us, "is not far from each one of us"—the God whose presence in our lives can make all the difference in the world. Also available in Spanish! *Una oración sencilla que cambia la vida*

Ignatian spirituality is a way to pray, an approach to making decisions, a point of view about God, and a practical guide to everyday life. An Ignatian Book of Days is the only 365-daily reading book written explicitly from the point of view of Ignatian spirituality; it is an invitation to help attune ourselves to the Ignatian conviction that we can find God in all things, that our personal experience can provide authentic knowledge of God, and that we can clearly see, feel, and experience God's presence through an Ignatian lens in our daily lives. Accessible, inviting, richly rewarding, and filled with insights and reflections from favorite Ignatian leaders, including James Martin, SJ, Pedro Arrupe, SJ, Margaret Silf, and of course, St. Ignatius, *An Ignatian Book of Days* sees God as actively involved in the world and intimately involved with us in every moment and place.

For everyone ready to make the shift from "What do I want for my life?" to "what does God want for my life?" In 10 lectures, filmed in the beautiful St. Clement's Shrine in Boston, Father Timothy Gallagher, presents a video guide for spiritual directors based on his bestselling title *Discerning the Will of God*. Using texts from St. Ignatius's *Spiritual Exercises* and real-life situations, Father Gallagher offers the spiritual director instruction on how to guide persons through the process of discernment, how to help them discern the movements of their hearts, and how to walk with them toward clarity regarding God's will. The insights offered throughout the series can be adapted to a wide range of decisions that persons may face in life. This DVD is also accompanied by a study guide, making it an ideal resource for all who want to discover where God is leading them, as well as for spiritual directors, retreat directors, and counselors.

NOW AVAILABLE IN SPANISH AS *La aventura ignaciana!* Third Place, Prayers & Spirituality category ACP Excellence in Publishing Awards, 2012 There is no better guide than St. Ignatius Loyola if one desires to discover how faith and everyday life can thrive together. In *The Ignatian Adventure*, Kevin O'Brien, SJ, follows St. Ignatius's lead and offers today's time-strapped individual a unique way of "making" the *Spiritual Exercises* in daily life. The first part of O'Brien's book provides helpful background information, including a brief history of St. Ignatius, an explanation of the *Spiritual Exercises* and their purpose, and a description of different ways to make the Exercises. The book's core offers 32 weeks of prayer and meditations to draw participants into a deeper encounter with God. But what truly sets this book apart from other 19th annotations is how O'Brien has woven throughout the chapters his own personal accounts of living out the Exercises in everyday life. Through his deeply moving stories, readers discover how the Exercises intersect with the real world. *The Ignatian Adventure* is an ideal resource for spiritual directors, but its user-friendly, down-to-earth style also makes it perfect for any individual seeking a deeper life of prayer.

Ignatius of Loyola, founder of the Society of Jesus, believed that we find God in the rough and tumble of everyday life. This gives Ignatian spirituality a special appeal to Christians of every tradition today. This book is an accessible but authoritative guide to the Ignatian spiritual tradition. The author draws on the latest scholarship to reveal the context and intentions of the original texts, relating them to the needs and concerns of our own times without any loss to their richness and power.
