~~Bela Fleck & The Flecktones - Live At The Quick - Amazon~~ ...

Live at the Quick, which was also released as a DVD, is the band's eighth album and second live album. For fans of live Flecktones, this album, like Live Art, successfully captured the sound and feel of the Flecktones in concert. In February 2006, the band released their tenth album, The Hidden Land. As with every Flecktones album, they needed to change something from their last album.
