Buff's your blood angels Infantry and Bikers by offering a 6" bubble of +1 Strength, as well as healing a multi-wound Infantry or Biker model within 3", or bringing a fallen model back to life on a 4+ - the bringing back from the dead is on a d6 roll of 4+ and if failed he does nothing for the rest of the turn. Works well with more expensive models like Terminators and Sanguinary Guard, keeping their health up as they make their way towards the enemy.

The Blood Angels are the masters of war in all its forms, but they excel in the savage arena of close assault above all others. Every Battle-Brother feels the lure of hand-to-hand combat boiling in his blood - only eye-to-eye and blade-to-blade with the foe can the dark beast within the Chapter's collective soul be given full reign.

Origin and History [1]. Once upon a time, Ramephiston Mephiston was called Brother Calistarius, one of many librarians of the Blood Angels (and possibly the same from the Sin of Damnation book, which would also make him the same Librarian Calistarius in the Space Hulk games). You know, just your average 8-foot tall, superhuman killing machine with psychic powers and vampire-ish tendencies.

Blood Angels. Chapter Master Raldoron. [7] Raldoron was the First Captain [1] of the Blood Angels Legion, Chapter Master of the Protectors [2], and Equerry to the Primarch Sanguinius during the Great Crusade and the Horus Heresy. He was chosen as First Captain because of his adaptable command style, something in sharp contrast with Azkaellon, Commander of the Sanguinary Guard [1a], and because he knew the hearts and minds of the battle-brothers of the IX Legion.
