see, hear and feel about us long after the online meeting, conference presentation or phone call is over. It's also evident in every single email we write.

What is Executive Presence and How to Improve it ...

Executive presence is very much how you control a room, the impressions you make, and how you affect the people around you. It's how you communicate verbally and through your appearance and physicality. It's not just appearance, such as how you look, but more how you communicate with people initially and convey your intentions.

Are you "leadership material"? More importantly, do others perceive you to be? Sylvia Ann Hewlett, a noted expert on workplace power and influence, shows you how to identify and embody the Executive Presence (EP) that you need to succeed. You can have the experience and qualifications of a leader, but without executive presence, you won't advance. EP is an amalgam of qualities that true leaders exude, a presence that telegraphs you're in charge or deserve to be. Articulating those qualities isn't easy, however. Based on a

Where To Download Executive Presence

nationwide survey of college graduates working across a range of sectors and occupations, Sylvia Hewlett and the Center for Talent Innovation discovered that EP is a dynamic, cohesive mix of appearance, communication, and gravitas. While these elements are not equal, to have true EP, you must know how to use all of them to your advantage. Filled with eye-opening insights, analysis, and practical advice for both men and women, mixed with illustrative examples from executives learning to use the EP, Executive Presence will help you make the leap from working like an executive to feeling like an executive.

management, Harrison Monarth reveals the critical difference between CEOs and those of us who wish to be CEOs. It's not a matter of intelligence, connections, or luck. It can be summed up in two words: executive presence. While most of us toil in obscurity and expect great things to follow, those on the path to corporate leadership spend their time perfecting the types of leadership communication skills that generate respect and get others to share their vision. They use these skills to establish how they are perceived by others and to manage their reputation throughout the organization. In other words, these soon-to-be top players have developed the presence of an executive through careful image management—and they make sure they have the goods to back it up. In *Executive Presence*, Monarth shows how you
