In this fully updated third edition of Jeep 4x4 Performance Handbook, Jeep experts Jim Allen and James Weber give you all the information and expertise you need to build and drive your ultimate Jeep without breaking the bank.

"As I was seated in remembrance and contemplation one night, in front of me appeared a great stag, shining and shimmering in whiteness, and there was a concentration of brilliant white light above its head. The stag was some feet away and was moving toward me. As it got closer, I could see that the white light on its head was emanating from a flaming brand, a torch, lit, glowing with brilliant white star-like light. The flaming brand, 'qabas' in Quranic Arabic, was as if a projection from the top of its head. The stag came straight toward me, approached me until it was so near I could have reached out and touched it, and then the flaming brand that was on its head, was suddenly but so naturally, held by it in its mouth. The stag bowed its head and placed this flaming brand, this qabas at my feet, and disappeared. As this happened the following verse flashed through my mind, and I knew I had been given permission to spread the teachings that are coming to me, and I was given the name under which to do so; It is 'Qabas', a flaming brand; a torch for warmth and a light for guidance. **** Quran: surah 20, ayah 10 When he saw a fire he said to his family, "tarry here, I have indeed perceived a fire maybe I can bring you from it a flaming brand or I can find guidance at the fire"*** This is the first volume in the four volume Qabas series. It collects 40 poems, composed of four series of 10 pieces each, that are collected for the blessing and spiritual state of the number 40. These poems were penned by the author during the years preceding her formal initiation into spiritual training. Works written during the beginning, middle, and end stages of her training comprise volumes 2, 3 and 4 in this series.

The Jeep Cherokee XJ is a pioneering SUV that delivers commendable performance and off-road capability. More than 3 million Cherokee XJs were manufactured during its production run. However, when the XJs rolled off the production lines, they were built primarily for the street. As a result, XJs need crucial modifications and high-performance upgrades to make them better for off-road duty. In this updated edition, author and veteran Cherokee expert Eric Zappe guides you through each stage of an XJ build, so you can take the mild-mannered, bone-stock XJ and upgrade it to a capable off-road performer. Zappe delves into suspension bolt-on improvements, including lift kits to increase ground clearance and suspension travel. He also covers high-performance shocks and long-arm suspensions. Wheels and tires are your vital link to the terrain, and he reveals all the important considerations so you select the right combination. XJs need a heavy-duty steering system to negotiate challenging off-road conditions, and Zappe explains several ways to upgrade the steering. Driveline and axle upgrades are an important part of the performance equation, so these performance improvements are covered as well. But he doesn't stop there; he also explores engine performance improvements for the 2.5-, 2.8-, 4.0-liter engines so the Cherokee has more power for off-road performance. In addition, he covers some basic tips for body strengthening and adding skid plates. If you're ready to go off road with your Cherokee but you're not planning to build a top-dollar off-road machine, this is the book for you. With the techniques and latest products described in this book, you will be able to upgrade your XJ to much higher level of performance and your XJ will be at home off and on road.

This readable introduction to Russian church history covers its whole course: the early beginnings among the pagan Slav communities, the vital and touchy interaction of Church and State during the turbulent reigns of the Tsars, and the Church's narrow escape from destruction after the Bolshevik Revolution. For this edition, Nicolas Zernov has revised and amplified the chapters dealing with the post-Revolutionary Church.

If you have a hankering for the sand and mud, this thoroughly updated edition of The Four-Wheeler's Bible is your ultimate resource for overland adventures, both close to home and farther afield. Whether you are a seasoned veteran or a four-wheeling novice, you will find the information you need to maximize your enjoyment of your next off-road excursion. Author and four-wheeling experts Jim Allen and James Weber begin with a primer on emergency preparedness before combing through all considerations you should take aboard, from trail etiquette to the latest technologies. Allen and Weber explain the concepts of four-wheel-drive systems in easy-to-understand terms and go on to suggest modifications to make off-road rigs more capable, comfortable, and dependable for intended application. This third edition is completely redesigned and updated to offer explanations of the latest electronic GPS and communications gadgetry, advice and techniques for planning and negotiating overland routes, and updates for new off-road vehicles that will help you get the most from your four-wheeling experience. With you machine up to snuff, you will be ready to hit the trails. Allen and Weber demonstrate the correct way to handle countless common off-road situations. And because everyone makes a mistake eventually, they also show how to get out of a variety of sticky situations. There's more to the four-wheeling experience than modifying and driving a vehicle, and the authors leave no rock unturned, ensuring that you are equipped to handle nearly any trip, no matter how far into the wilderness you choose to venture. The Four Wheeler's Bible is an indispensable piece of gear if you're planning to hit the trails!

"As I was seated in remembrance and contemplation one night, in front of me appeared a great stag, shining and shimmering in whiteness, and there was a concentration of brilliant white light above its head. The stag was some feet away and was moving toward me. As it got closer, I could see that the white light on its head was emanating from a flaming brand, a torch, lit, glowing with brilliant white star-like light. The flaming brand, 'qabas' in Quranic Arabic, was as if a projection from the top of its head. The stag came straight toward me, approached me until it was so near I could have reached out and touched it, and then the flaming brand that was on its head, was suddenly but so naturally, held by it in its mouth. The stag bowed its head and placed this flaming brand, this qabas at my feet, and disappeared. As this happened the following verse flashed through my mind, and I knew I had been given permission to spread the teachings that are coming to me, and I was given the name under which to do so; It is 'Qabas', a flaming brand; a torch for warmth and a light for guidance. **** Quran: surah 20, ayah 10 When he saw a fire he said to his family, "tarry here, I have indeed perceived a fire maybe I can bring you from it a flaming brand or I can find guidance at the fire" QABAS - Volume 2, Entering This is volume 2 in the series. Containing 64 poems, many didactic, that mark the beginning stage of the 'suluk' (spiritual way) of the author. It follows Volume 1, 'Early Signs', and is

followed by Volume 3, 'Exiting', and by Volume 4, 'Returned'. As in other volumes, the number of pieces in this work - 64 - bears resonance with the natural world.
