I had my baby in 2004 and spent a lot of time looking for his baby book. There are so many to choose from but I found the majority of them to be impractical to write in and very commercial, often even tacky. "My Baby's Journal" has beautiful images of babies and related items in all different pale shades.

Yellow skin can be a sign that the baby isn't handling the infection well and your baby could be getting septic. Be very careful to watch out for fever, which usually accompanies infections. Even the mildest fever in the first few days or weeks of a baby's life could cause major problems, so be sure to talk to your doctor right away.

15 Things To Know If The Baby Turns Yellow | BabyGaga

This yellow discoloration in a newborn is called jaundice, and it's a common issue, says pediatric gastroenterologist Kadakkal Radhakrishnan, MD. Jaundice is due to an elevated level of yellowish pigment in the blood called bilirubin that forms when the baby's body breaks down excess red blood cells.

Why It's Best Not to Worry If Your Baby Has Jaundice ...

Infant jaundice is yellow discoloration of a newborn baby's skin and eyes. Infant jaundice occurs because the baby's blood contains an excess of bilirubin (bil-ih-ROO-bin), a yellow pigment of red blood cells. Infant jaundice is a common condition, particularly in babies born before 38 weeks' gestation (preterm babies) and some breast-fed babies. Infant jaundice usually occurs because a baby's liver isn't mature enough to get rid of bilirubin in the bloodstream.

Keep a record of all the special moments in your baby's first year with this beautiful baby record book from bestselling baby and kids cookbook author Annabel Karmel. Map out your family tree, list ideas for baby names, and write down thoughts on your baby's arrival. With this keepsake journal, you'll start recording memories before the birth and up to your baby's first birthday. Ensure that no special moments are forgotten, thanks to handy prompts as well as plenty of space. You can write down thoughts about everything your baby is learning, as well as all the new experiences, such as feeding and sleeping patterns and baby's favorite bathtime toy. You'll also record developmental milestones and those all-important "firsts," from your first night at home together to baby's first steps. There is also space to note information about the world your little one was born into, such as who was president, popular music, and prices of stamps and milk. A month-by-month section allows you to keep track of your baby's constant achievements and changing behavior, and also includes advice from Annabel Karmel on your baby's development and handy tips to encourage it. Five recipes will inspire you to make delicious, healthy food for your baby at various stages, as well as marking celebrations, such as a first birthday cake. Pockets and spaces for photographs are included throughout to make sure every milestone is documented. This book will become a wonderful and unique memento of the first year of your child's life, to look back on and share with your child over the years.

"I appreciate the ability to truly customize while still having professional design work already done for me."Finally there is a contemporary design based Baby Journal that allows you to express who you are today. Flexibility, customization and strong eye-pleasing design make up the foundation of this unique book that is designed specifically for a baby boy. While typical baby journals are stuck in the past, forcing you into specific photo placement and requiring you to use pre-set forms for filling out information that might or might not be a good fit with you and your style, Baby's First Year gives you the flexibility to customize so you end up with a book of memories that fits your unique family and reflects your thoughts, your feelings and your style. "...particularly liked the slim profile. Spiral bound books just don't work well on a bookshelf." "... 7 months pregnant ...have been looking for a baby journal that doesn't have 'fill in the blanks' about stuff I don't want to put in my baby journal."With a designer color palette of pale blue, yellow and gray, this is the "Baby Boy Edition"; H&S Publishing also offers "Baby Girl" and "Twins" editions.
