(Detail explanations of these card types can be found in this blog post: "How to play the Pokémon trading card game for dummies".) The Pokémons look very similar to insects, small animals, dragons or small robots and have fantasy names associated to their appearances. Satoshi Tajiri the inventor of the game was a passionate insect collector in his childhood. The Pokémon fight each other ...

How to play the Pokémon trading card game for stupid dummy ...

By Peter Kent, Tyler Bain . Pool mining is a group of miners acting as a team to find blocks. The block rewards are proportionally split across all miners who contributed to the pool's hashed Proof of Work; that is, the more hashing power you provided to the operation during a particular time period (the pool mining duration or mining round), the higher the share you receive for block ...
