Understanding the Tarot Court Cards: How to Interpret the Court Cards in Tarot. Posted on May 01, 2019. Share. The Tarot Court Cards are often considered some of the most difficult cards in the Tarot deck to interpret, though this is usually because it can be tricky to discern whether the card represents a person, energy or situation. This is why Court Cards often require the use of intuitive reading more than any other cards.

Understanding the Tarot Court—Mary K. Greer, Tom Little...

To get a basic understanding of all 16 court cards, you really just need to get a basic understanding of each rank and each suit. Then, to interpret any particular court card, you use your intuition to combine your understanding of these factors. So to put it plainly, COURT CARD RANK + COURT CARD SUIT + YOUR INTUITION = COURT CARD INTERPRETATION.

Discover your signficator and your nemesis. Compare the differences among the cards in well-known decks. Match the court cards with the zodiac signs, the Myers-Briggs personality types, and the Jungian archetypes. Learn a variety of spreads that reveal childhood issues, career destiny, and a storytelling spread to spark the creative writing process.

Turn the Tarot Court Cards into Noble Allies for Every Reading You Do Meet the people and personalities of the tarot in a whole new way with Your Tarot Court. This book gives you the confidence you need to tackle the trickiest part of any deck: the court cards. You'll explore the tarot court archetypes and discover new ways to identify and work with these enigmatic cards. Your Tarot Court is designed with contemporary readers in mind—it discusses gender as a social construct, translates the royal hierarchy for a modern world, and more. Professional reader Ethony Dawn guides you through the court, offering techniques, spreads, and interpretations that make the cards more accessible and understandable. This enlightening guide helps improve your understanding of yourself and the people around you by removing the mysteries shrouding these noble figures.

Most readers interested in tarot own a couple of different decks as well as some tarot "cookbooks" that explain the meaning of the cards and their symbolism—like Cliff Notes for tarot. These tarot tools result in fairly standard, mundane readings. But there is another level to tarot—a level that can turn an ordinary tarot reader into a true adept. Tarot Decoded transforms ordinary tarot readings into readings that are profound and even surprising by explaining the use and significance of tarot dignitaries. Tarot dignitaries are the interaction of the cards with each other in a spread and within a range of correspondences. Tarot author Elizabeth Hazel presents a concise, useable system for working with tarot dignities to add incredible depth to readings. One card placed next to another might not have a readily apparent connection—but interpreting tarot dignities could make it very clear that one card enhances, or hinders, the meaning of another. The same is true for tarot neighborhoods within a spread as well as the entire reading. Using the Tarot Decoded system for working with tarot dignities can take anyone to the next level of tarot reading. The book offers a progressive look at the cards, their dignities, and their correspondences. With Hazel's advice and clear examples—and a little practice—readings take on a new depth, integration, and power.

The tarot cards associated with your birth date and name form a pattern of personal destiny. They describe the theme of your life—the challenges and the gifts. In Who Are You in the Tarot?, popular tarot practitioner and astrologer Mary Greer connects astrology and numerology to the tarot to create an in-depth personality profile that anyone can use for self-realization and personal harmony. Greer takes the reader on a very personal exploration of how the tarot can be used as a tool for learning more about themselves and others. The book includes: * Detailed instructions, charts, and exercises on how to determine your soul and personality cards * How to determine your year card and name card * The opportunities and challenges you will face * Extensive graphs, charts, and appendices * Journaling and exploratory exercises Who Are You in the Tarot? is a valuable tool for anyone wishing to develop a deeper understanding of the tarot and how it can be used to interpret one's strengths, challenges, and innermost desires.

Drawing on nearly forty years of tarot experience, Mary K. Greer has developed a new energizing approach-made up of twenty-one stimulating techniques to interpret or deepen your understanding of each card. Just as the twenty-six letters of the alphabet can be combined to form billions of words, Greer's twenty-one methods can be used in any combination for gaining amazing new insights and perspectives. Emphasizing both traditional and personal methods of interpretation, Greer's techniques involve storytelling, sketching, symbols, metaphors, dialogues, acting, and other imaginative exercises. Designed to bring about interaction, transformation, and empowerment, this twenty-one-pronged approach to tarot can help readers expand standard interpretations and evolve new ways of connecting to the cards. Winner of the Coalition of Visionary Resources Award for Best Divination Book

From a world-famous tarot expert, this book reveals everything one needs to know for reading the most maligned and misunderstood part of a tarot spread - the reversed cards.

For many tarot readers, the court cards are the most challenging cards to work with. But once you become familiar with how these enigmatic cards work, you can turn them into friends and allies that provide powerful insights and advice. Featuring stories, explanations, and simple exercises, this book explores the many facets of pages, knights, kings, and queens to enhance your journey through the tarot. Author Leeza Robertson approaches the court cards from a variety of angles, exploring the symbols, legends, personalities, messages, and spiritual influences of each card. Providing unique tips, reading techniques, and spread ideas, this book will help you welcome the court cards into your tarot practice.

Understanding The Tarot Court Special Topics In Tarot...

A detailed interpretive guide to the 16 "face" cards of the tarot that reveals their core identities and special purpose in a person's life. * The first tarot book to focus exclusively on the court cards. * Shows how the "face" cards can clearly and accurately reveal the specific nature of the support-based relationships in one's life. * Includes tarot spreads and potent techniques for contacting these powerful archetypes through meditation and pathworking. The Tarot Court Cards gives fresh meaning to the 16 "face" cards of the tarot—the King, Queen, Knight, and Page. In contrast to the idiosyncratic and confusing interpretations that are presented in many tarot books, Kate Warwick-Smith shows how these cards embody archetypal patterns of relationship that offer greater enlightenment than ever before. Using the Kabbalah, she reveals the core identities of the Minor Arcana's court cards and their special purposes as supporters, detractors, inner resources, and challenges in our inner and outer life. She shows how the court cards can be used to identify your true tribe or clan—the specific people who support you in unique ways, such as your mentor, champion, protector, or healer. She also shows how the court cards can help you identify your inner resources and challenges—insight, discipline, passion, or greed—that enhance or hinder your efforts in the world. Using both new and traditional interpretations, the book also presents new tarot spreads and potent methods for contacting these powerful archetypes through meditation and pathworking. Both seasoned tarot readers and newcomers will find this book helps them achieve practical and insightful results.

Succinct and powerful, this study of the sixteen Court cards in Tarot deserves a place in every Hermetic library. Tarot through the lens of transformational psychology serves to reinforce the ways that the Renaissance and Humanism framed the consciousness of future generations. The Courts are here presented as archetypal energies and mystical tools for transformation, following the western esoteric traditions of the Golden Dawn and Builders of the Adytum. The goal of this work is to assist all of us on our journey to "Know Thyself."
