## Emotional Health And Healing

The first fully-fledged ethnography on health-related issues to come out of contemporary Vietnam, *Women's Bodies, Women's Worries* is a study of women's lives in a rural commune in Vietnam's Red River delta. Starting as

# Online Library Women S Bodies Women S Wisdom

an examination of the impact of Vietnam's ambitious family planning policy on the health and lives of rural women, the study explores historical and contemporary socio-cultural forces which influence the lives of Vietnamese women. What begins as an investigation of contraceptive side

# Online Library Women S Bodies Women S Wisdom

effects becomes an inquiry into the daily lives of rural women, an examination of the moral ideologies by which women's lives are circumscribed, and an exploration of the ways women themselves manage and negotiate the moral demands and social relations which constitute

# Online Library Women S Bodies Women S Wisdom

daily lives. In addition, the book provides a sympathetic account of the everyday lives and concerns of rural women while also including theoretical considerations of the social grounding of bodily experience, the cultural meanings of health and illness, and the everyday

# Online Library Women S Bodies Women S Wisdom

politics of emotional expression.

## Emotional Health And Healing

Why has the female body been marginalised in psychoanalysis, with a focus on female problems and pains only? How can we begin to think about body pleasure, power, competition and aggression as

# Online Library Women S Bodies Women S Wisdom

normal in females? In Women's  
Bodies in Psychoanalysis, Rosemary  
Balsam argues that re-tracing  
theoretical steps back to the  
biological body's attributes is fruitful  
in searching for the clues of our  
mental development. She shows that  
the female biological body, across

# Online Library Women S Bodies Women S Wisdom

female gender variants and sexual preferences, including the 'vanished pregnant body', has been largely overlooked in previous studies. It is how we weave these images of the body into our everyday lives that informs our gendered patterning. These details about being female free

Creating Physical And

Are scientific 'facts' about body image  
enough to define conceptions of  
normality? Reassessing Experimental  
Psychology from a critical  
perspective, Sylvia Blood  
demonstrates how its research into  
Body Image can be misused and

# Online Library Women S Bodies Women S Wisdom

prone to misuse. Classifying women who experience distress and anxiety with food, eating and body size as suffering 'body image disturbance' or 'body image dissatisfaction', it can reproduce dominant assumptions about language, meaning and subjectivity. Experimental

# Online Library Women S Bodies Women S Wisdom

psychology's discourse about body image has recently become more widely influential, becoming popularised through domains such as women ' s magazines, in which psychological experts provide 'facts' about women's 'body image problems', and offer advice and

# Online Library Women S Bodies Women S Wisdom

psychological treatments. With acute cross-disciplinary awareness Body Work: The Social Construction of Women's Body Image exposes the assumptions at work in the methods and status of experimental approaches. Penetrating beyond the usual dichotomy between

# Online Library Women S Bodies Women S Wisdom

experimental and popular  
psychology, this book illuminates  
some of the ways in which women's  
magazines have embraced  
experimental psychology's treatment  
of the issue. Drawing on her  
experience in Clinical Psychology,  
Sylvia Blood highlights the damaging

# Online Library Women S Bodies Women S Wisdom

effects of uncritically experimental views of body image. She goes on to elaborate not only an alternative model of discursive construction but also the implications of such a theory for clinical practice. Merging theory and clinical experience, Sylvia Blood exposes the fallacies about

# Online Library Women S Bodies Women S Wisdom

women 's bodies that underpin  
experimental psychology's body  
image research. She demonstrates  
the dangerous consequences of these  
fallacies being accepted as truths in  
popular texts and in the talk of  
'everyday' women.

# Online Library Women S Bodies Women S Wisdom

The most positive approaches to women's health frequently emerge from women's own endeavours to achieve physical and mental balance in their lives. Abandoning the artificiality of subject divides, this book engages with that ethos. Drawing on the experience of an

# Online Library Women S Bodies Women S Wisdom

interdisciplinary women's health initiative, Gwyneth Boswel and Fiona Poland I have assembled a formidable range of academic and professional experts in this highly accessible collection. Concepts of health are explored across disciplines which include psychology, law, history,
